EYEWEAR
EVENT SPONSOR

**YOU HAVE TO
COMPETE TO WIN**

NSW Wave sailing Association is excited to announce that we are only one week away from the opening event of the 2010-11 Series. Whether you are looking to improve, compete, win, gain bragging rights or just have a lot of fun with old and new mates the NSW Wave sailing Association Series is for you. With some excellent Series and Heat Sponsors on board, evolving competition structure, great opportunities to bag some goodies as well as experience some exciting changes, the 2010-11 Season is looking to be a barnstormer.

Please check Seabreeze.com.au for the latest news in regards to venue selection and sign on time. Put simply, if the wind is from the North East, head to Gerroa. If the wind is from the South drive to Windang. If a Westerly is on the cards please travel to Port Kembla.

If you don't have access to the internet on Saturday morning please contact
Tim Williams, President, on 0409 757 315.
